**PLEASE ACCEPT THIS AS A NOTICE TO INFORM YOU, as a property owner, tenant or interested citizen, that the Council of The City of San Diego, California will conduct a public hearing, as part of a scheduled City Council meeting, on the following project:**

The purpose of this discretionary action is to submit an application to the San Diego Local Agency Formation Commission (LAFCO) to annex 121 acres of unincorporated County Island entirely located within the City of San Diego's jurisdictional boundaries. The proposed annexation would be consistent with the long-range, comprehensive policy framework within the City's General Plan and the Southeastern San Diego Community Plan. The City's General Plan Land Use Element recommends (Policies LU-K.1 thru LU-K.4) pursuing the annexation of County Islands in order to ensure orderly growth and to provide the efficient delivery of public services. The action will approve an agreement by which the County would pay the City \$13,569,345 in exchange for the City's assumption of certain responsibilities related to water quality regulation compliance. The General Plan and Southeastern San Diego Community Plan would be amended to show the county island within the City's jurisdiction boundaries and Southeastern San Diego Community. The Council District boundary map would be amended to show the County Island within the Council District 4. The final decision on the County Island annexation will be with the LAFCO. The General Plan and Community Plan amendment is not effective until LAFCO approves the annexation. As part of the proposed action, the RS 1-1 zones would rezoned to AR 1-2 for property both within the annexation area and the adjacent cemetery. The rezone area includes approximately 251.15 acres.
